

**Financial Support for 19th International Workshop on Electromagnetic Induction in the Earth,
Beijing, China, October 2008**

A number of organizations and companies provided funding for the 19th International Workshop on Electromagnetic Induction in the Earth, Beijing, China.

COMPANIES

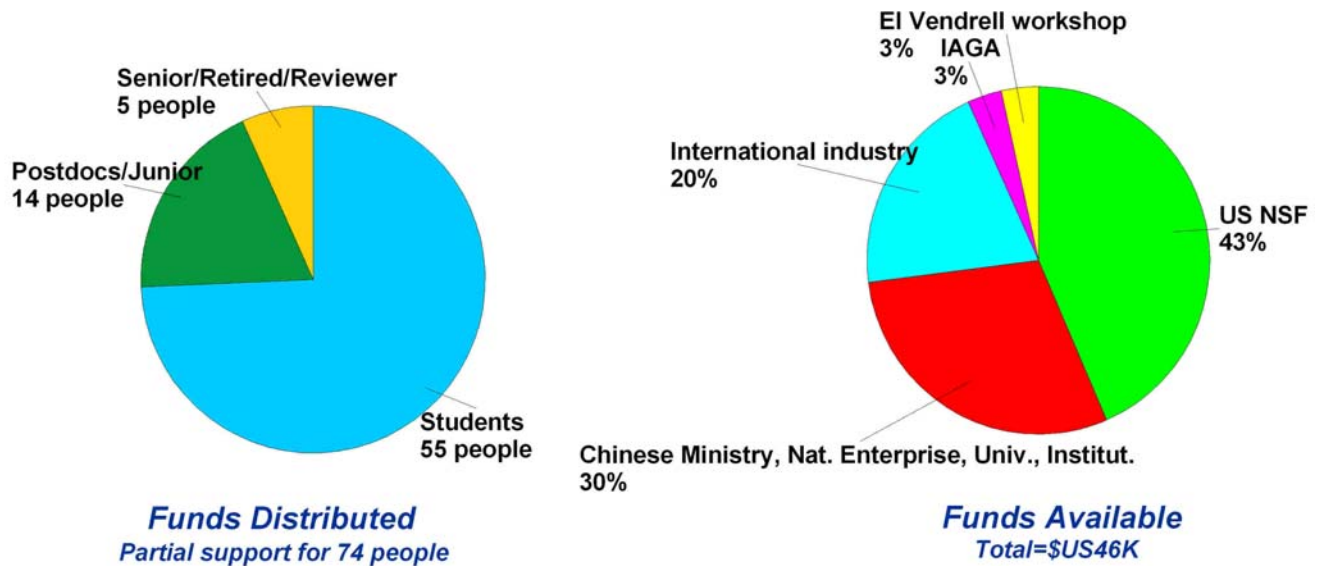

China National Petroleum Corporation
China Petroleum and Chemical Corporation
BGP, Non-seismic Survey, CNPC
BOST (Beijing Ouhualian Science & Technology Ltd.)
Phoenix Geophysics Ltd. Canada
KMS Technologies - KJT Enterprises Inc
Metronix
Irkutsk Electroprospecting Company
Beijing Orangelamp Navigation Technology Development Co., Ltd.
Orient Beta (Beijing) Science and Technology Company Limited
TIERRA TECNICA LTD.
Sonardyne International Ltd.
Scientific Production Enterprise Of Geophysical Equipment
Schlumburg EMI Technology Center
Geometrics
Zonge Engineering and Research Organization, Inc.
Geonics Limited
Chinook Geoconsulting, Inc.

INSTITUTIONS AND ORGANIZATIONS

China Earthquake Administration (CEA)
Chinese Geophysical Society (CGS).
Institute of Geology, CEA
Geo-Electromagnetic Committee, CGS
National Nature Science Foundation of China
USA National Science Foundation
International Association of Geomagnetism and Aeronomy
China Geological Survey
China National Administration of Coal Geology
Yangtze University
China University of Geosciences (Beijing)
Jilin University
Shenyang Engineering Scientific Research and Design Institute
Chengdu University of Technology
Central South University
Research Institution of Petroleum Exploration & Development, CNPC
Institute of Geology and Geophysics, Chinese Academy of Sciences
Guilin University of Technology
Institute of Geophysical and Geochemical Exploration, CAGS

Tongji University
 Institute of Earthquake Science, CEA
 Earthquake Administration of Beijing Municipality
 China University of Geosciences (Wuhan)
 Exploration & Production Dept, SINOPEC
 Xi'an Qiangyuan Geophysical Research Institute
 Anhui Exploration Technical Academy

Funding used to Support EM Workshop Attendance

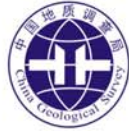

Some of the financial support for the EM Induction workshop was used directly to support the attendance of students and scientists and was distributed by the EM Induction Working Group Financial Support Committee. Other funds provided indirect support to participants as they were used to finance various aspects of the workshop. The graphs above show the sources and allocation of funds distributed by the Financial Support Committee.

Information provided on behalf of the Financial Support Committee by I. Ferguson.
